(n) affirms that all the documents and information provided by the Client to the Asset Manager will be true, complete and legally valid.

3. BANK, THE INVESTMENT PORTFOLIO’S MONEY AND FINANCIAL INSTRUMENTS ACCOUNTS

3.1. Together with concluding the Agreement, the Client shall enter into an agreement with a Bank pre-accepted by the Asset Manager providing the custody and keeping of records of the Client’s Investment Portfolio setting forth, *inter alia*, the exclusive rights of the Asset Manager to execute transactions/Deals with the Investment Portfolio Assets on the Client’s behalf. The Investment Portfolio Accounts of the Client (the Financial Instruments Account and the Money Account) shall be identified by the agreement specified by this Article.

3.2. The Asset Manager performs the Client’s Investment Portfolio Management only with such credit institutions, which are accepted as cooperation partners in this realm. Prior to entering into the above-mentioned agreement referred by the Article 3.1. of the General Rules, the Client shall clarify that the respective credit

institution is accepted by the Asset Manager for the provision of its services.

3.3. On the Asset Manager's request, the Client shall submit to the Asset Manager the original counterpart of the agreement with a Bank referred by the Article 3.1. of the General Rules or, subject to a prior consent of the Asset Manager, a copy of the said agreement which is certified by the Client.

3.4. The Client shall obtain the Asset Manager's approval of any amendments to the agreement concluded with a Bank referred by the Article 3.1. of the General Rules, which are initiated and/or directly accepted by the Client before such amendments take effect. If the said approval is not granted within 14 (fourteen) days of submitting the draft amendments in writing to the Asset Manager and the amendments take effect, the Asset Manager is entitled to terminate the Agreement pursuant to the procedure set forth therein and/or to claim the recovery of damages incurred by the Asset Manager.

3.5. On the Asset Manager's request, the Client shall immediately provide sufficient funds in the Money Account, which are necessary for settlement of the Fees or other expenses specified in the Agreement. Shall the Client fail to provide the said funds in the Money Account of the Investment Portfolio within 5 (five) Business days from the Asset Manager's written request, the Client hereby agrees that via Bank the said Fees and expenses may be withheld from any Client's Settlement Account with the Bank.

3.6. The Client hereby agrees that for the settlement of the Fees or other expenses specified by the Agreement (including but not limited to any tax and duty charged to the Client, service fees of the Bank or any other third parties) the Asset Manager is entitled to sell the Financial instruments of the Client and/or terminate the executed Deals.

3.7. The Asset Manager is entitled without the Client's consent to perform exchange of currencies held in the Money Account if the funds are necessary for the settlement of the Fee or other expenses specified by the Agreement, including execution of the Client's Order, payment of the Client's debt (denominated in another currency) or if the balance of the respective currency in the Money Account is insufficient to execute a Deal.

3.8. The Client hereby agrees that in the cases listed below the Asset Manager without the Client's consent is entitled via the Bank to withhold money from the Money Account and/or to sell Financial instruments from the Financial Instruments Account:

- (a) to cover the due Fees and expenses under the Agreement; and/or
- (b) if the transfer of Assets into the Client's Investment Portfolio Account has been carried out without any legal grounds, including by mistake or due to a technical error; and/or
- (c) to offset the Asset Manager's claims against the Client; and/or
- (d) in other cases specified by the Agreement and/or the Laws.

4. ASSET MANAGER'S FEE, FEES SCHEDULES AND EXPENSES

4.1. The Client shall pay to the Asset Manager the remuneration specified by the Agreement in accordance with the Fees Schedule.

4.2. The Fees for the services are charged in accordance with the General Fees Schedule unless the Special Fees Schedule provides otherwise.

4.3. The Asset Manager is entitled to amend unilaterally the Fees Schedule pursuant to the procedure specified by the Investment Portfolio Management Agreement and the General Rules. Unless the Asset Manager receives the Client's objections sent to its e-mail address asset@cbl.lv or via Bank's Online banking until the effective date of the amendments, it shall be considered that the Client has accepted the respective amendments. Shall the Asset Manager receive the Client's objections against the amendments to the General Fees Schedule sent to its e-mail address asset@cbl.lv or via Bank's Online banking until the effective date of the

amendments, the Parties shall either agree on a Special Fees Schedule applicable to the Client or, shall the Parties fail to reach such an agreement, the amendments to the General Fees Schedule shall take effect on the specified date and the Client may unilaterally terminate the Agreement pursuant to the procedure prescribed therein.

4.4. The Fee for the management of the Client's Investment Portfolio is calculated and paid as follows:

(a) the remuneration due to the Asset Manager for the management of the Investment Portfolio is calculated for each calendar month based on the fixed percentage rate specified by the Fees Schedule, which is charged to the value of the Assets in the Client's Investment Portfolio, including:

- the rate specified by the Fees Schedule applicable to the portion of the Investment Portfolio (including money), which has not been invested in the investment funds managed by the Asset Manager;
- the rate specified by the Fees Schedule applicable to the portion of the Investment Portfolio invested in the investment funds managed by the Asset Manager;

(b) the remuneration for the management of the Investment Portfolio is based on the average value of the respective Investment Portfolio Assets in the Reporting period assuming the base of 360 days per year, and is calculated according to the following formula:

$$C_m = \frac{V_{vid} * R_1}{360} * D_{sk}$$

- C_m – the Asset Manager's the Fee for the management of the Investment Portfolio;
- V_{vid} – the average value of the Investment Portfolio Assets in the Reporting period;
- R_1 – the Fee rate;
- D_{sk} – the actual number of days in the Reporting period;

(c) The average value of the Client's Investment Portfolio Assets in the Reporting period (V_{vid}) is calculated as arithmetic average according to the following formula:

$$V_{vid} = \frac{\sum_{t=1}^n V_t}{n}$$

- V_{vid} – the average value of the Investment Portfolio Assets in the Reporting period;
- V_t – the value of the Investment Portfolio's Assets on the day t ;
- n – the number of days in the Reporting period;
- (d) the Fee specified by this Article of the General Rules, which is payable for the respective month shall be withheld from the Money Account of the Investment Portfolio via the Bank until the 5th (fifth) Business day of the following month subject to the provisions prescribed by the Articles 3.5. – 3.8. of the General Rules.

4.5. The Fee for the Client's income generated as a result of the management of the Investment Portfolio is calculated and paid as follows:

(a) the Fee payable to the Asset Manager from the Client's income as a result of the Investment Portfolio management is calculated for each calendar month based on the fixed income rate specified by the Special Fees Schedule, which is charged to the excess income:

(b) the Fee payable to the Asset Manager from Client's income as a result of the Investment Portfolio management is calculated as fixed percentage rate from the increase of the Client's net income from the Assets in the Reporting period in accordance with the following formula:

$$C_i = I_p * R_2$$

- C_t – the Asset Manager’s Fee for the Client’s income generated as a result of the management of the Investment Portfolio;
- I_{tp} – the net increase of the Client’s Assets value in the Reporting period;
- R_2 – the fixed remuneration rate specified by the Special Fees Schedule of the Agreement, which is charged to the excess return;

(c) the net increase of the Client’s Assets value in the Reporting period (I_{tp}) is equal to the performance of the investments of the Client’s Assets adjusted by:

- potential benchmark income in the Reporting period;
- retained losses of the previous periods as at the beginning of the Reporting period;
- Fees paid during the Reporting period;

and calculated in accordance with formula:

$$I_{tp} = I_i - I_b - Z - C_m - C_t$$

- I_{tp} – the net increase of the Client’s Assets value in the Reporting period;
- I_i – the performance of the investments of the Client’s Assets in the Reporting period;
- I_b – the potential benchmark income in the Reporting period;
- Z – retained losses of the previous periods as at the beginning of the Reporting period;
- C_m – Investment Portfolio management Fee payable to the Asset Manager;
- C_t – Bank’s remuneration for the provided Investment Portfolio custody services;

(d) in case the net increase of the Client’s Assets value in the Reporting period (I_{tp}) is negative, it is considered as retained losses of the previous periods as at the beginning of the Reporting period (Z) and the remuneration for the Client’s income generated as a result of the management of the Investment Portfolio is not paid for the respective Reporting period;

(e) the potential benchmark income in the Reporting period (I_b) is income, which could have been generated from the Client’s Assets in the Reporting period if at the beginning of the Reporting period they were invested in assets whose rate of return would correspond to that of the benchmark; it is calculated according to the following formula:

$$I_b = \frac{V_s * D_{sk} * B}{360}$$

- I_b – the potential benchmark income in the Reporting period;
- V_s – the Client’s Assets value at the beginning of the Reporting period;
- D_{sk} – the actual number of days in the Reporting period;
- B – benchmark expressed as annual percentage rate;

(f) the benchmark (B) is a rate of return, which the Asset Manager seeks to surpass in managing the Client’s Investment Portfolio and which is specified in the Special Fees Schedule of the Client; if the benchmark is not specified in the Special Fees Schedule of the Client, it is deemed to be set at the rate of 0%;

(g) the performance of the investments of the Client’s Assets in the Reporting period (I_i) is calculated as a difference between the Client’s Assets value at the end of the Reporting period and the Client’s Assets value at the beginning of the Reporting period adjusted by the value of Assets additionally invested or withdrawn during the Reporting period; it is calculated according to the following formula:

$$I_i = V_b - V_s - (S_{inv} - S_{izv})$$

- I_i – the performance of the investments of the Client’s Assets in the Reporting period;
- V_b – the Client’s Assets value at the end of the Reporting period (before withholding the Asset Manager’s and the Bank’s fees);

- V_s – the Client’s Assets value at the beginning of the Reporting period;
- S_{inv} – the value of Assets additionally invested during the Reporting period;
- S_{izv} – the value of Assets withdrawn during the Reporting period;

(h) the Fee specified by this Article of the General Rules, which is calculated in respect of the previous period for which the Fee is due shall be withheld from the Money Account via the Bank until the 5th (fifth) Business day of the following month subject to the provisions of the Articles 3.5. – 3.8. of the General Rules.

4.6. the **Fee for the complete or partial withdrawal of the Investment Portfolio prior to expiry of the Minimal management period of the Investment Portfolio** shall be calculated and paid as follows:

(a) the Asset Manager can charge the respective Fee if the Client terminates/withdraws the Investment Portfolio or its part before expiration of the Minimal management period of the Investment Portfolio;

(b) the Fee shall be calculated as a fixed percentage rate, which is chargeable to the total value of the Assets withdrawn in accordance with the following formula:

$$C_{izn} = S_{izn} * R_3$$

- C_{izn} – the Fee payable to the Asset Manager for withdrawal of the Investment Portfolio or its part;
- S_{izn} – the total amount of the Assets withdrawn from the Investment Portfolio;
- R_3 – the fixed rate to be charged for the complete or partial withdrawal of the Investment Portfolio prior to expiry of the Minimal management period of the Investment Portfolio;

(c) the rate to be charged for the complete or partial withdrawal of the Investment Portfolio prior to expiry of the Minimal management period of the Investment Portfolio can be provided by the General Fees Schedule; if the said rate is not specified in the General Fees Schedule it shall be considered as provided by rate 1% (one per cent) from the value of portion of the Investment Portfolio to be withdrawn;

(d) the value of the Investment Portfolio or its part shall be valued as at the date on which the Investment Portfolio is fully or partially withdrawn from the Management;

(e) the Fee shall be withheld via the Bank subject to the provisions of Articles 3.5. – 3.8. of the General Rules;

(f) if the Client completely or partially withdraws the Investment Portfolio prior to expiration of the Minimal management period of the Investment Portfolio due to the fact that the Client has terminated the Agreement because he/she/it does not accept the amendments to the General Fees Schedule with regard to the amount of the Fee specified by this Article 4.6. of the General Rules, the respective Fee payable by such Client shall be charged at the previous rate.

4.7. The Fee payable to the Asset Manager shall be withheld via the Bank in the Base Currency of the Investment Portfolio.

4.8. Shall the Client withdraw from the Management the Investment Portfolio completely, the Client shall pay all the Fees and expenses provided by the Agreement for the last Reporting period until the day the Investment Portfolio is withdrawn on the day the Investment Portfolio is withdrawn. If on the day the Investment Portfolio is withdrawn the Fees and expenses cannot be calculated and/or are not known, the Asset Manager at its own discretion may specify the amount of the Financial collateral in the amount corresponding to the applicable Fees and expenses (including but not limited to the taxes and fees payable by the Client, service fees of the Bank and any other third parties) and via the Bank retain the respective funds of the Client in any account of the Client with the Bank. If there is a negative balance on the Client’s account upon withdrawal of the Investment Portfolio, it shall be settled pursuant to the requirements prescribed by the

Bank.

4.9. The Client shall compensate all expenses incurred by the Asset Manager, which are related to the Investment Portfolio Management, Deals, servicing and maintenance of the Investment Portfolio Accounts (including the fees of the Intermediaries, etc.).

4.10. The Asset Manager is entitled to transfer the Fees and other payments received from the Client with regard to the Investment Portfolio Management to the Bank, Intermediaries or other third parties. The Asset Manager is entitled to receive remuneration or other income (inducements) with regard to any Deals or Investment Portfolio Assets, including return of any payments by way of retrocession. By Client's written request, the Client will be provided with additional information about such payments.

4.11. The applicable taxes, duties or other similar expenses, if any, are not included in the remuneration of the Asset Manager and/or third parties.

4.12. In addition to the Fees, the Client shall compensate the Asset Manager for any other expenses specified by the Agreement which incurred in the course of providing the services (including but not limited to the taxes, duties and similar charges payable by the Client, service fees of the Bank and any other third parties). The Asset Manager is entitled to cover the expenses specified by this Article from the Investment Portfolio Assets without the Client's additional consent.

4.13. The Bank fees and other expenses shall be compensated by the Client in accordance with the rates applied by the Bank on the grounds of the agreement between the Client and the Bank, including but not limited to: (a) the fee for the opening of the Investment Portfolio Accounts; (b) the servicing fee of the Investment Portfolio Accounts; (c) any interest charged for a negative balance in the Money Account; (d) any other payments specified by the framework of the mutual contractual relationship between the Client and the Bank. The Asset Manager is not liable for any tariffs, fees (including their amendments) of the Bank and any persons related to the Bank. The Asset Manager is under no obligation to notify the Client about the changes in the scope and amounts of the applicable payments and expenses related to the Bank.

4.14. The Fees and all the expenses related to the Investment Portfolio shall be compensated also in the event of the Client's death.

5. INVESTMENT POLICY

5.1. The Investment Policy of the Client is fixed accordingly to the Risk Profile (*Defensive*, *Balanced* or *Aggressive*) assigned by the Asset Manager to the Client by offering to the Client one of the three corresponding investment strategies:

(a) **Defensive investment strategy:** strategy of placement and management of the Investment portfolio's Assets, which aim is to minimize the risk of decrease of Assets' value; this strategy mainly provides portfolio investments in low yield and low risk Financial instruments; for the greatest part the Assets are placed money market funds, investment grade bonds, open-end funds and deposits; part of the Assets of the investment portfolio can be invested in high yield bonds, closed-end bond funds, open-end balanced funds, and derivatives for hedging purpose as well; small part of Assets can be invested in equity funds; characteristics to this strategy are high liquidity of the client's investment portfolio and small volatility as well;

(g) **Intermediary/Bank risk** – possibility to suffer additional expenditures and/or loss due to an action or omission of an Intermediary/Bank (including amendments in the terms of providing service, fraud, negligence, improper custody of Assets held by Intermediary/Bank and such like) or due to the flaws in the system of safe custody of Financial instruments on behalf of third parties in certain countries;

(h) **Intermediary/Bank insolvency risk** – complete or partial loss, or continuous inaccessibility of the Client's Financial instruments, impeded or impossible execution of orders, impossibility to exercise rights vested in the Financial instruments (for example voting rights) or unavailability of information, which

is caused by the insolvency (bankruptcy) or other similar proceedings suspending the operation of the Intermediary/Bank holding the Client's Financial instruments or involved in the execution of orders; the custody of the Financial instruments can be subject to foreign laws or market practice, which is significantly different from the laws or market practice effective in the Republic of Latvia, moreover, the Client's rights to the Financial instruments can be affected by unanticipated resolutions of the legislative, executive and/or judicial authorities of the respective country; the Client may fail to recover the Financial instruments, yet, in the course of the insolvency proceedings of the Intermediary/Bank their value may be completely or partially compensated in money after the value of the Financial instruments is assessed in accordance with laws and regulations of the respective country; in the case of Intermediary's insolvency or other similar proceedings, there is a risk that neither the Financial instruments nor their value in money can be recovered;

(i) **Non-performance risk** – possibility to suffer additional expenditures and/or loss due to non-performance of obligations assumed by a market participant towards the Client or the Asset Manager for the Client's benefit, or insolvency of such market participant, or suspension of its operation;

(j) **Legal risk** – possibility to suffer additional expenditures and/or loss due to any amendments to laws/regulations or implementation of any resolutions/enactments of legislative, executive or judicial authorities resulting in seizure or other types of blocking regarding to the Assets (including held by an Intermediary), which prevents the free disposal of Assets;

(k) **Foreign laws application risk** – possibility to suffer additional expenditures and/or loss due to application of laws and regulations or market practice of the country where the Intermediary is registered, which are significantly different from the laws and regulations and market practice of the Republic of Latvia regarding to the custody or bookkeeping of the Financial instruments, as well as actions, omissions and liability of the Intermediary or sub-Intermediary engaged by the Intermediary for the purposes of custody, and the Client's right to the Financial instruments can be affected by unanticipated resolutions of the legislative, executive or judicial authorities of these foreign countries;

(l) **Country or political risk** – possibility to suffer additional expenditures and/or loss due to any trade or circulation restrictions imposed in respect of the Assets as a result of events affecting political or economic stability or further development of the country or region, including corruption in the administrative or financial system of the country, introduction of economic sanctions against the country as a whole or against any specific individual or legal entity, including to combat terrorism and/or money laundering;

(m) **Operational risk** – possibility to suffer additional expenditures and/or loss due to a failure of electronic or other systems, flaws in financial and capital market infrastructure, network disruption, as well as faults of Deals execution technologies, Management, recording and control procedures or action/omission of the staff and/or unlawful activities of third parties, including fraud, forgery and such like;

(n) **Communication risk** – possibility to suffer additional expenditures and/or loss due to disruptions in operation of software or electronic devices of the Client or a third party, data transmission error, unauthorized access, distortion of information to be submitted and such like;

(o) **System risk** – possibility to suffer additional expenditures and/or loss due to the problems with technical equipment or communication devices of Intermediaries or other institutions involved in Management of the Investment Portfolio, impeding timely execution of settlements or Deals;

(p) **Information risk** – possibility to suffer additional expenditures and/or loss due to unavailability of actual and complete information on the prices of Financial instruments, currency exchange rates, or trends of the financial and capital market.

6.2. By signing the Agreement, including by becoming acquainted and accepting these General Rules, the Client affirms that:

(a) the Client understands that the risks inherent in the investments in Financial instruments are not mitigated by transferring the Assets to the Asset Manager for Management;

(b) the Client has read the Description of risks related to financial instruments, which is available on the *Investment portfolios* section of the Asset Manager's Website;

(c) the Client has been provided with complete and comprehensive information on the risks related to the investments in Financial instruments and Investment Portfolio Management, and the Client is aware that listing of all the risks is impossible and the Asset Manager can only disclose the most substantial of them;

(d) the Client undertakes all the risks related to the investments in Financial instruments and Investment Portfolio Management, including the risks provided by the Chapter 6 of the General Rules, and hereby waives any claims against the Asset Manager with regard to recovery of losses/damage incurred due to occurrence of any of such risk events.

7. ESTABLISHMENT OF INVESTMENT PORTFOLIO

7.1. The Client's Investment Portfolio is initially established pursuant to the procedure prescribed by these General Rules by transferring by the Client to the Investment Portfolio Accounts in amount specified by the Agreement Client's:

- (a) money assets from the Client's Settlement Account; and/or
- (b) Financial instruments, subject to the Asset Manager's consent and provided that the Asset Manager and the Client have made a written agreement in this regard, specifying the name, the ISIN code and the amount of the respective Financial instruments.

7.2. Unless the Client and the Asset Manager agreed otherwise, the Client shall transfer the assets indicated in the previous Article of the General Rules in the specified amount into the Investment Portfolio Accounts within 30 (thirty) calendar days from the date of concluding of the Agreement. Shall the Client fail to comply with the deadline specified by this Article of the General Rules, the Asset Manager is entitled to terminate the Agreement.

7.3. The Asset Manager is entitled to commence the Investment Portfolio Management as soon as the Assets are transferred into the Investment Portfolio Account by the Client.

7.4. The Asset Manager is entitled to refuse to accept for Management the financial instruments whose type and/or amount do not correspond to the agreement specified by the Article 7.1.(b). of the General Rules. The Asset Manager is entitled to sell the Financial instruments transferred by the Client, which do not comply with the Client's Risk Profile and/or Investment Policy.

7.5. Unless the Parties have reached a mutual explicit agreement to the contrary, it shall be considered that the Minimal management period of the Investment Portfolio is 6 (six) months from establishing the Investment Portfolio in the amount specified by the Agreement.

7.6. Unless the Parties have reached a mutual explicit agreement to the contrary, it shall be considered that the Asset Manager has not issued any guarantees with regard to the Bank's ability to transfer the Financial instruments accepted by the Asset Manager as apt to be included in the Investment Portfolio to the Financial Instruments Account.

7.7. The Asset Manager is entitled not to commence the Investment Portfolio Management if the Client has failed to transfer the Assets into the Investment Portfolio Account in the amount and manner specified by the Agreement.

7.8. The Asset Manager is entitled, at the Client's expense, to transfer back from the Investment Portfolio Account all of the Client's Assets:

- (a) whose amount or the procedure according to which they were

received does not comply with the terms of the Agreement, including the money was not transferred from the Client's Settlement Account; and/or

(b) in whose respect the Asset Manager suspects money laundering, connection with financing of terrorism and/or other violations of laws or regulations.

8. INCREASE OF INVESTMENT PORTFOLIO

8.1. Subject to a prior consent of the Asset Manager, during the validity period of the Agreement the Client is entitled to increase Investment Portfolio pursuant to the procedure prescribed by these General Rules by transferring by the Client to the Investment Portfolio Accounts Client's:

- (a) money assets from Client's Settlement Account; and/or
- (b) the Client's Financial instruments, subject to the Asset Manager's consent and provided that the Asset Manager and the Client have made a written agreement in this regard, specifying the name, the ISIN code and the amount of the respective Financial instruments.

8.2. Unless the Parties have reached a mutual explicit agreement to the contrary, it shall be considered that the Asset Manager has not issued any guarantees with regard to the Bank's ability to transfer the Financial instruments accepted by the Asset Manager as apt to be included in the Investment Portfolio to the Financial Instruments Account.

8.3. Shall the money and/or Financial instruments be transferred to the Investment Portfolio Financial Instruments Account without the Asset Manager's written consent, the Asset Manager is entitled to refuse to accept them for Management and *inter alia*, not apply the terms of the Investment Policy to such Financial instruments. In such cases, the Asset Manager returns the respective Assets to the Client, covering the respective costs at the Client's expense.

8.4. The Asset Manager is entitled not to accept for Management the money and/or Financial instruments paid/transferred with an aim of increasing the Investment Portfolio if the termination of the Agreement has been commenced. In the case specified by this Article, the Asset Manager returns the respective Assets to the Client covering the respective costs at the Client's expense.

8.5. The Asset Manager is entitled to refuse for Management the Financial instruments whose type and/or amount do not correspond to the agreement specified by the Article 8.1.(b). of the General Rules. The Asset Manager is entitled to sell the Financial instruments transferred by the Client, which do not comply with the Client's Risk Profile and/or Investment Policy.

8.6. The terms provided by Article 7.8. of the General Rules are applicable to the increase of the Investment Portfolio as well.

9. WITHDRAWAL OF ASSETS FROM INVESTMENT PORTFOLIO

9.1. The Client is entitled to withdraw a portion of the Investment Portfolio at any time thus partially reducing the amount of the Investment Portfolio, by issuing a respective Order to the Asset Manager and:

- (a) arriving in person at the Asset Manager's office to submit and sign the Order in writing; or
- (b) arriving in person at the Bank's customer service centre or branch to submit and sign the Order in writing; or
- (c) signing it with Electronic signature and sending it to the Asset Manager's e-mail address; or
- (d) sending it via the Bank's Online banking.

9.2. The Order shall provide, *inter alia*, the following information:

- (a) the Identification data of the Client;

(b) the number of the Agreement and/or the Investment Portfolio Account number;

(c) the amount of money, which the Client is willing to withdraw from the Investment Portfolio.

9.3. The Client undertakes, on the Asset Manager's request, to provide and submit in writing any other information, which the Asset Manager considers necessary and/or relevant to the withdrawal of Investment Portfolio share.

9.4. The portion of the Investment Portfolio to be withdrawn as money Assets, shall be withdrawn in accordance in compliance with following rules:

(a) the Client shall submit a respective Order in compliance with the requirements set forth by the Articles 9.1. and 9.2. of the General Rules;

(b) if there is a sufficient amount of money in the Money Account of the Investment Portfolio to execute the Order (including the amount of money is sufficient as well to cover execution of all of the Asset Manager's previous orders to make investments in the Investment Portfolio and the Deals made), the Asset Manager shall ensure that the amount of money specified in the Order is transferred to the Settlement Account not later than within 3 (three) Business days from the date of receipt of the Order;

(c) if there is insufficient amount of money in the Money Account of the Investment Portfolio to execute the Order, after receipt of the Order the Asset Manager shall immediately commence realization of the Investment Portfolio's investments to ensure that the amount of money specified by the Client's Order can be transferred to the Settlement Account within 10 (ten) Business days (this 10 (ten) Business days deadline can be disregarded in the case specified by the Article 9.4.(g). of the General Rules);

(d) the Asset Manager is entitled to realize the Investment Portfolio's investments (including but not limited to the sale of Financial instruments, termination of Financial instruments or Deals, cancellation of encumbrances, exchanging foreign currencies (according to the exchange rate set by the Bank on the date on which the currency exchange is effected)) at its own discretion, as far as possible complying with the Investment Policy;

(e) the Client is aware and agrees that in order to fulfill the Client's Order the Asset Manager has to realize the Assets included in the Investment Portfolio within a limited time period and, as a result, their sales/termination price may differ from the market price and may be significantly lower than its possible price without unlimited time period; considering the above, the Client hereby waives any actions/claims against the Asset Manager in this respect;

(f) after realization of the Investment Portfolio Assets necessary for the fulfillment of the Order and as well as assessment and withholding of all the applicable Fees, taxes, duties and other charges, the respective amount of money within 10 (ten) Business days shall be transferred to the Client's Settlement Account;

(g) if the Asset Manager is not capable to realize the Investment Portfolio to fulfill the Order within 10 (ten) Business days, due to Assets, whose realization is impossible or impeded due to any circumstances beyond Asset Manager's control, the Asset Manager immediately notifies the Client about this; in this case the Asset Manager realizes the Investment Portfolio to the extent it is possible and ensures that within 10 (ten) Business days the available part of the amount is transferred to the Settlement Account, but the remaining part of the amount will be transferred after realization of the respective Assets;

(h) circumstances beyond control of the Asset Manager, due to which realization of the Investment Portfolio Assets is impossible or impeded, provided by the previous Article 9.4.(g). of the General Rules, include but are not limited to the following:

- arrest, blocking or similar circulation restrictions imposed on the money or Financial instruments; and/or
- sale of Financial instruments at their market price being

impossible or impeded, including low liquidity or absence of demand; and/or

- early redemption of the Financial instruments is impeded; and/or

- performance/termination of the executed Deals is hampered; and/or

- the Bank does not provide execution of Deals with the respective Financial instrument;

(i) the Asset Manager is under no obligation to buy the Financial instruments contained in the Investment Portfolio whose sale is impossible or impeded;

(j) before any Assets are transferred to the Client, any Fees and other expenses, which are due, shall be withheld (including but not limited to the taxes and fees charged to the Client, service charges of the Bank or third parties);

(k) the Order shall be considered as executed at the moment when the Investment Portfolio Assets are realized in the required amount and the amount of money indicated in the Order is transferred to the Client's Settlement Account.

9.5. Subject to the Asset Manager's consent, a portion of the Investment Portfolio can be withdrawn in the form of Financial instruments. The portion of the Investment Portfolio to be withdrawn in the form of Financial instruments shall be withdrawn pursuant to the following procedure and in compliance with the following:

(a) the Client must submit a respective Order in accordance with the requirements set forth by the Articles 9.1., 9.2.(a). and 9.2.(b). of the General Rules, indicating in the Order:

- the names of the Financial instruments, which the Client is willing to withdraw as a portion of the Investment Portfolio, their ISIN codes and amounts;

- its financial instruments account (other than the Investment Portfolio Financial Instruments Account) with the Bank or another financial institution, to which the respective Financial instruments to be transferred;

(b) the Client's Order with regard to withdrawal of Financial instruments shall only be accepted subject to the Asset Manager's consent, which is executed in the form of a separate written agreement with the Client;

(c) the Client's Order is only fulfilled when the amount of the Financial instruments, which is sufficient for the Order to be fulfilled, is available in the Financial Instruments Account of the Investment Portfolio (inter alia, the amount is sufficient for fulfilling all the Asset Manager's previous orders and concluded Deals, and the respective Financial instruments are not attached, blocked, pledged or otherwise encumbered);

(d) the Asset Manager is entitled to refrain from fulfilling the Order with regard to the Financial instruments until settlement of all the applicable Fees, taxes, duties and other charges is possible.

9.6. Shall the Client be willing to follow a different procedure for the Investment Portfolio withdrawal, the Client shall conclude a prior separate agreement with the Asset Manager in writing.

9.7. The Asset Manager is entitled refuse to accept the Client's Order if any of the below circumstances has occurred:

(a) the Order is submitted contrary to the provisions set forth by the Agreement and/or Laws of the Republic of Latvia;

(b) the content of the Order is unclear, inexplicit, incomplete, self-contradictory or unlawful.

9.8. The Asset Manager is entitled to refuse to fulfill the Client's Order on withdrawal of the portion of the Investment Portfolio if:

(a) the amount to be withdrawn, which is indicated in the Order, is less than the minimal amount specified by the Agreement, including by the Investment Policy, which can be paid out to the Client in the case a portion of the Investment Portfolio is

withdrawn; and/or

(b) shall the respective Order be fulfilled, the remaining value of the Investment Portfolio would become less than the Minimal amount of the Investment Portfolio for Management.

10. TERMINATION OF INVESTMENT PORTFOLIO

10.1. The Client is entitled to terminate the Investment Portfolio at any time by submitting a respective Order to the Asset Manager.

10.2. Termination of the Investment Portfolio is performed pursuant to the following procedure and subject to the following:

(a) in accordance with the procedure set forth by the Articles 9.1.(a). - 9.1.(d). of the General Rules, the Client shall submit to the Asset Manager the Order on termination of the Investment Portfolio, inter alia, providing the information specified by the Articles 9.2.(a). and 9.2.(b). of the General Rules;

(b) the Asset Manager immediately commences the realization of all of the Investment Portfolio;

(c) the Asset Manager is entitled, at its own discretion, carry out the activities, which are necessary for the realization of the Investment Portfolio (including but not limited to the sale of Financial instruments, termination of Financial instruments or Deals, cancellation of encumbrances, exchanging foreign currencies (according to the exchange rate set by the Bank on the date on which the currency exchange is effected));

(d) the Client is aware and agrees that in order to fulfill the Client's Order on termination of the Investment Portfolio, the Asset Manager has to realize the Assets included in the Investment Portfolio within a limited time period and, as a result, their sales/termination price may differ from the market price and may be significantly lower than its possible price without unlimited time period; considering the above, the Client hereby waives any actions/claims against the Asset Manager in this respect;

(e) after realization of all the Investment Portfolio Assets, as well as assessment and withholding of all the applicable Fees, taxes, duties and other charges, the money balance on the Money Account is transferred to the Client's Settlement Account with the Bank;

(f) if the Asset Manager, due to any circumstances beyond its control, cannot realize the Investment Portfolio in full within 10 (ten) Business days of the receipt of the Order, the Asset Manager immediately notifies the Client about this; in this case the Asset Manager realizes the Investment Portfolio to the extent it is possible and ensure that until the scheduled date of termination of the Investment Portfolio and/or Agreement the available part of the amount is transferred to the Settlement Account, but the remaining part will be transferred after realization of the respective Assets;

(g) the Asset Manager is under no obligation to buy the Financial instruments contained in the Investment Portfolio whose sale is impossible or impeded;

(h) the Investment Portfolio and/or Agreement shall not be terminated if there are Assets, whose realization is impossible or impeded due to the circumstances beyond the Asset Manager's control, remain in the Investment Portfolio; in the case specified by this Article, the Agreement shall remain in effect to the extent necessary for the maintenance and termination of the Investment Portfolio, including but not limited to the Client's obligation to pay the Fees to the Asset Manager and to cover any expenses related to such Financial instruments;

(i) circumstances beyond control of the Asset Manager, due to which realization of the Investment Portfolio Assets is impossible or impeded, provided by the Article 10.2.(h). of the General Rules, include but are not limited to the following

- arrest, blocking or similar circulation restrictions imposed on the money or Financial instruments; and/or
- sale of Financial instruments at their market price being impossible or impeded, including low liquidity or absence of

demand; and/or

- early redemption of the Financial instruments is impeded; and/or
- performance/termination of the executed Deals is hampered; and/or
- the Bank does not provide execution of Deals with the respective Financial instrument;

(j) in the cases specified by the Articles 10.2.(h). and 10.2.(i). of the General Rules, the Asset Manager is entitled at its own discretion to establish via the Bank a Financial collateral in respect of the Client's money, which would correspond to the applicable Fees and expenses (including but not limited to the taxes and fees charged to the Client, service charges of the Bank or third parties), which are likely to be incurred until realization of the portion of the Investment Portfolio Assets, which is impeded or temporarily impossible to be realized;

(k) before any Assets are transferred to the Client, any Fees and other expenses, which are due, shall be withheld (included but not limited to the taxes and fees charged to the Client, service charges of the Bank or third parties);

(l) on the Client's request, the Financial instruments, whose sale is impeded or impossible, can be transferred to a financial instruments account (other than the Financial Instruments Account of the Investment Portfolio) with the Bank or another financial institution indicated by the Client;

(m) shall the realization of the Investment Portfolio Assets, due to circumstances beyond the control of the Asset Manager, remain impossible or impeded for more than 3 (three) months, the Asset Manager is entitled to transfer such Financial instruments to a financial instruments account opened by the Asset Manager with the Bank in the Client's name or to another financial instruments account of the Client known to the Asset Manager, which is opened with the Bank or another financial institution;

(n) if within 12 (twelve) months of the termination of the Investment Portfolio the Investment Portfolio has not been established anew pursuant to the procedure set by the Agreement, the Asset Manager is entitled to consider the Agreement as terminated.

10.3. Shall the Client be willing to follow different procedure for the termination of the Investment Portfolio, including that all or part of Financial instruments of the Investment Portfolio are transferred to the Client, the Client shall conclude a prior separate agreement with the Asset Manager in this regard in writing.

10.4. The Client is aware and agrees that the Asset Manager is entitled to consider that the Client has submitted an Order on the termination of the Investment Portfolio (which means, inter alia, that the Asset Manager is entitled to apply the provisions of Articles 10.2.(b). – 10.2.(n). of the General Rules as well), if at least one of the following circumstances has occurred:

(a) the Client has performed any activities with regard to the Investment Portfolio without the consent of the Asset Manager; and/or

(b) the Client has violated the provisions of this Agreement (including provisions of these General Rules) and has not remedied such violation within one month of the receipt of the Asset Manager's respective written notice; and/or

(c) the total balance of the Assets on the Investment Portfolio Accounts is less than EUR 1000; and/or

(d) the Assets contained in the Investment Portfolio are irrecoverably lost due to the insolvency or bankruptcy of their issuer or another third party, or due to another situation resulting in the total loss of all of the Investment Portfolio Assets, including the cases where the Client is entitled to claim compensation of damages incurred as a result of the loss of the above-mentioned Assets; and/or

(e) the Client has submitted an order to the Bank for closing of the Settlement Account indicated on the front page of the Investment

Portfolio Management Agreement; and/or

(f) in other cases specified by the Agreement, including these General Rules, including in the case of termination of the Agreement.

11. INVESTMENT PORTFOLIO MANAGEMENT

11.1. Investment Portfolio Management is performed by the Asset Manager in accordance with provisions of the Investment Policy and the Agreement.

11.2. During the effective period of the Agreement, the Asset Manager is entitled to manage and deal with the Assets placed in the Investment Portfolio Accounts, subject to the Investment Policy, including but not limited to perform on the Client's behalf the following activities:

- (a) to submit instructions/orders with regard to Deals with Investment Portfolio's money and Financial instruments, including to buy, sell, exchange or placing the Financial instruments;
