

LOAN AGREEMENT (the Agreement) Part 2

GENERAL PROVISIONS

version dated June 1, 2021

Terms and Definitions used in the Agreement.

Added Rate (Margin) – the part of Interest for Using the Loan expressed as a percentage per annum, assuming a 360-day year. ..

Agreement – this Loan agreement, concluded between the Bank and the Client and consisting of 2 (two) parts – Part 1 being the Special Provisions and Part 2 being the General Provisions.

ALTUM – joint-stock company “Attīstības finanšu institūcija Altum”, registration number: 50103744891.

ALTUM Guarantee Premium Request – the Bank’s request to ALTUM to pay the guarantee premium in the amount specified by ALTUM, which the Bank shall issue or send to the Client immediately upon receiving the relevant guarantee premium invoice from ALTUM, for the guarantee issued by ALTUM as reinforcement for the fulfilment of obligations by the Client as specified in the Agreement.

Arrangement on Financial Covenants – an arrangement concluded between the Client or the Client’s Group and the Bank or a company in the Bank’s Group, regarding the obligations of the Client or the Client’s Group to, for the effective term of the Agreement, to ensure that its business activities adhere to certain financial covenants and other obligations specified in the aforementioned arrangement.

Bank – joint-stock company “Citadele banka”, uniform registration No. 40103303559, registered office: Republikas laukums 2A, Rīga, LV-1010.

Bank’s Group – the BANK, all of the Bank’s foreign branches, subsidiaries of the Bank, and subsidiaries of the Bank’s subsidiaries.

Bank’s requirements – the requirements specified by the Bank regarding the form and content of documents (essential provisions). If a copy of a document must be submitted to the Bank, the original specimen shall be presented to the Bank at the time of submission of the copy.

The Base Rate – the EURIBOR rate for the period of time specified in the Agreement, being part of the rate of Interest Rate for Using the Loan. EURIBOR is the average interbank EUR lending rate for the duration specified as the Base Rate period in the Agreement. EURIBOR rate setting is managed by the European Money Market Institute (EMMI). The EURIBOR rate for the initial period of the Base Rate shall be determined on the date of entry into force of the Agreement and shall remain in force until the first day of a subsequent Base Rate period, not inclusive. For subsequent periods of setting the Base Rate, the Bank shall, without sending a separate notification to the Client, determine the Base Rate on the first date of each subsequent Base Rate period. Information on the amount of the EURIBOR rate is available to the Client in Citadele Internet Bank.

If EURIBOR is a negative amount at the time of determination, the Base Rate for the relevant Base Rate period shall be deemed to be “0” (zero). If the day of determining the Base Rate falls on an official holiday in countries that determine the relevant money market index, the Base Rate shall be determined on the last business day preceding the holiday. If the EURIBOR rate is not published in an electronic information system on the date of updating the Base Rate, the last available EURIBOR rate published prior to the date of updating the Base Rate shall apply.

In the event that the EURIBOR calculation principles and / or methodology are changed or is no longer maintained (published), the Bank has the right to unilaterally set a new Base Rate, which is internationally recognized in the financial sector and most closely corresponds to the previous Base Rate. If the Bank determines a new Base Rate unilaterally, it shall notify the Client about the new Base Rate in writing, by publishing a notification in Citadele Online Banking. If the Client does not consent to the new Base Rate, the Client shall be entitled to, within 30 days following receipt of the Bank’s notification about the new Base Rate, fulfil obligations arising from the Agreement in full, without paying Loan Prepayment Fee to the Bank.

BO – beneficial owner, an individual who owns over 25 per cent of capital shares or voting stock in the Client through direct or indirect participation, or who controls it either directly or indirectly, or in the name, interest, or for the benefit of whom business relations with the Bank are established.

Client’s Group – the Client, its BOs and all legal entities with regard to which any BO of the Client, severally or in combination with other parties, can directly or indirectly exercise decisive influence in the interpretation of the applicable legislation of the Republic of Latvia. This refers to the capacity to, either directly or indirectly:

- a) control (regularly or occasionally) the decision-making of a legal entity's executive bodies, whether by exercising participation or not,
- b) appoint a number of members of a legal entity's supervisory or executive body that would provide the party exercising decisive influence a majority of votes in said body.

Client's Co-payment – funds provided by the Client which, in addition to the Loan (part thereof) being issued, are sufficient for paying under an Invoice.

Collateral – all Client performance security specified in the Special Provision of the Agreement- Pledge, Financial Collateral and Guarantee.

Construction (Contractor's) Agreement – an agreement/arrangement on the construction of the Object as concluded between the Client and the General Contractor.

Construction (Contractor's) Supervision Agreement – agreement/arrangement on supervising the construction of the Object as concluded between the Client and a construction supervisor.

Construction Guarantee– a valid guarantee addressed to the Bank or to the Customer, issued by a credit institution in Latvia or by a European Union credit institution accepted by the Bank, or by an insurance company, and issued in accordance with the ICC Uniform Rules for Demand Guarantees, the wording thereof having been coordinated with the Bank and referring to works performed or to be performed at the Object. In the interpretation of this Agreement, a Construction Guarantee Consistent with the Bank's Requirements shall represent both the guarantee of performance of construction works at the Object in the amount specified in the Agreement pertaining to the amount of Object construction expenses specified in the Object Estimate (including VAT), and the General Contractor's guarantee of construction works performance, in the amount specified in the Agreement pertaining to the total expenses on construction of the Object as per the Object Construction Estimate, for the warranty period specified in the Construction Agreement. If a guarantee issued by an insurance company is submitted to the Bank, a copy of a document confirming payment of the insurance premium shall be submitted simultaneously. A Construction Guarantee may be substituted by withholding an amount of funds as specified in the Agreement, or by depositing an amount expressed as a percentage of the Loan/part of the Loan being issued to a dedicated account with the Bank, for the duration necessary for achieving the goal of the relevant guarantee.

Construction Expert – a representative of the Bank, or an individual or legal entity selected by the Bank, who upon the Bank's assignment performs supervision of the Object construction project, implementation process, and the allocation of the loan in the process of construction of the Object.

Construction Expert's Report – a report drafted and signed by the Construction Expert concerning the conformance of the Invoice to the Object Estimate and/or report on the conformance of works specified in the DAS to the scope of works actually performed at the Object. A written statement of confirmation on the Invoice and/or the DAS shall also be deemed equivalent to the Report.

Current Account – accounts opened in the Client's name with the Bank, including Account.

DAS – a Delivery and Acceptance Statement for goods/services signed by the Client, corresponding to the purpose of issuing the Loan and to submitted documents. If the purpose of issuing the Loan is construction, renovation or reconstruction of the Object, the DAS shall be drafted and signed by the Client, documenting acceptance of works performed at the Object. The Client's signature shall represent the conformance of works specified in the DAS to the Object Estimate and to actual performance.

Default Interest – remuneration which the Client undertakes to pay on the Final Repayment Date for delay in repaying the Loan or for illegal allocation of the amount of the Loan, and assessed for each day on which some amount of the Loan remains outstanding as starting on the Final Repayment Date.

Disbursement Order – a payment order or freeform request for a transfer of funds, signed and formatted in form and substance satisfactory to the Bank.

Event of Default - shall mean any of the events or circumstances specified in clause 9.1 of the General Provisions.

Fixed Interest Rate – interest for using the Loan expressed as an annualised percentage and assuming a 360-day year.

Final Loan Disbursement Date – the date specified in the Agreement, by which (inclusive) the Client is entitled to request issue of the Loan (part thereof) by the Bank.

Final Repayment Date – the term for complete fulfilment of obligations, specified in the Agreement or unilaterally determined by the Bank in accordance with the provisions of this Agreement, within which the Client must repay the outstanding Loan to the Bank and pay Interest and other amounts payable to the Bank under the Agreement in full.

General Contractor – the general construction contractor involved by the Client to perform construction, renovation or reconstruction works at the Object, in accordance with the Construction Agreement.

General Provisions – these general provisions of the Loan Agreement, constituting part 2 of the Agreement, and available on the Bank's website, www.citadele.lv

Guarantor – a legal entity or individual guaranteeing fulfilment of the Client's obligations to the Bank under the Agreement.

Interest – Interest for Using the Loan and Loan Commitment Fee.

Interest for Using the Loan – remuneration for the use of the Loan (part thereof), calculated for each actual date of use of an amount of the Loan issued and not repaid, applying the annual interest rate specified in the Agreement and assuming a 360-day year.

Interest Payment Date – the date specified in the Agreement by which the Client must pay to the Bank Interest accrued for the preceding Interest calculation Period.

Invoice – a document entailing the Client's obligation to perform a payment consistent with the purpose of issuing the Loan and other documents substantiating the transaction as submitted to the Bank. If a copy of an Invoice is submitted to the Bank, the Client upon Bank's request shall present the original specimen of the document.

Loan – funds of the Bank, in the amount specified in the Agreement, which the Bank lends to the Client in accordance with the provisions of this Agreement for a specific period, and which the Client is entitled to use, with consideration, for the purpose(s) of allocation of the Loan as specified in the Agreement.

Loan currency – the currency in which the Client receives the Loan and performs payments due under the Agreement.

Loan Commitment Fee – remuneration for reserving the Loan (part thereof), calculated on the amount being the difference between the amount of the Loan specified in the Agreement and the amount of the Loan (part thereof) actually issued to the Client, for each calendar day from the effective date of the Agreement and until issue of the Loan, or final part thereof, applying the annual interest rate specified in the Agreement and assuming a 360-day year.

Loan Repayment Principle:

Annuity – the sum of Loan payment and Interest for Using the Loan to be paid in accordance with the Repayment Schedule is the same from month to month.

Equal payments – the Loan is repaid in equal instalments, in addition to which Interest for Using the Loan is paid for each Interest accrual period.

Material Adverse Effect – means a material adverse effect on::

(a) the project for which the Loan was intended, or the business activities, everyday business operations, financial standing or expected activities of the Client;

(b) the Client's ability to implement the project for which the Loan was intended, without substantial modifications, in the manner specified in the Agreement and in documents submitted to the Bank as pertaining to implementation of the project;

(c) the Client's ability to fulfil obligations under the Agreement or documents pertaining to the implementation of the project for which the Loan was intended;

(d) the validity of the Pledge or the Guarantor's guarantee, which secures the fulfilment of the Client's obligations under the Agreement, or is intended to secure such, or the ability of the Bank to exercise ensuing rights, or the priority (order of allocation) of the Pledge;

(e) the industry within which the Client operates.

Object – the real property specified in the Agreement, for the construction, renovation or reconstruction of which the Loan (part thereof) is issued in accordance with the provisions of this Agreement.

Object Estimate – a document recording all expenses on the construction, renovation or reconstruction (in the Agreement – construction of the Object) until final commissioning of the Object (in the event of

simplified construction – confirmation from the Building Board on the certification card/letter of clarification documenting execution or completion of works), as coordinated with the Bank.

Pledge – pledge of movable and real property, provided in favour of the Bank for securing the obligations of the Client under the Agreement. As the wording requires, the Pledge denoting the singular include the plural and vice versa.

Pledgor – a legal entity or private individual which, on the basis of a written agreement, pledges in favour of the Bank some real or movable property in order to secure the fulfilment of the Client's obligations under the Agreement.

Report – a report on the amount of construction works actually performed at the Object and the compliance thereof to the Object Cost Estimate, as drafted and signed by the Construction Expert.

Sanctions Regulations – the Law on International and National Sanctions of the Republic of Latvia and/or related international and national regulations and/or documents issued by a banking oversight institution.

SRS – State Revenue Service.

Special Provisions - the special terms and conditions of the Agreement signed by the Parties, which are Part 1 of the Agreement and where the amount of the Loan, Interest, Collateral, procedures for issuance and Repayment of the Loan and other special provisions are stipulated.

1. Scope of the Agreement.

- 1.1. The Bank shall issue the Loan to the Client in accordance with the procedure specified in the Agreement, while the Client shall receive and allocate the Loan to financing the purpose of using the Loan, and shall perform payments specified in the Agreement to the Bank in accordance with the provisions of the Agreement.

2. Preconditions for Disbursement of the Loan.

- 2.1. The Bank shall issue the Loan (part thereof) for the purpose of using the Loan (part thereof) as specified in the Agreement, remitting it in accordance with the procedure specified in the Agreement, once the following conditions are met:
 - 2.1.1. the Loan Administration Fee specified in the Agreement, the premium specified in the ALTUM Guarantee Premium Request (if required in accordance with the provisions of the Agreement) and other fees specified in the Agreement as payable prior to the issue of the Loan (part thereof), are paid in accordance with the provisions of the Agreement;

 - 2.1.3. the Pledge specified in the Agreement have been registered in a form and substance satisfactory to the Bank;
 - 2.1.4. reinforcement of discharge of the Client's obligations specified in the Agreement and in a form and substance satisfactory to the Bank (Financial collateral/Guarantee) has been submitted;
 - 2.1.5. the Pledge is insured in accordance with the Bank's requirements, specified in the website www.citadele.lv, including submission of documents corroborating this;
 - 2.1.6. the Client has no tax arrears in accordance with information from the database published by the SRS;
 - 2.1.7. the Client has fulfilled the obligations for issue of the Loan (part thereof) as specified in the Special Provisions of the Agreement;
 - 2.1.8. no event or circumstance has occurred which, in the Bank's reasonable opinion, might constitute Material Adverse Effect or event of default (clause 9.1);
 - 2.1.9. the Bank shall have received such other documents as the Bank may reasonably request.
- 2.2. **If the Loan is issued for Object construction, renovation or reconstruction, then, in addition to the provisions of clause 2.1 of the General Provisions, the Client shall, before issue of the Loan (part thereof) commences, ensure that:**
 - 2.2.1. the following have been submitted to the Bank:
 - 2.2.1.1. the Construction Agreement regarding construction works at the Object, wherein the contracting parties have agreed not to amend the provisions of the Construction

- Agreement, including the Object Estimate (above 2% of the initial amount of the estimate of the Facility submitted to the Bank), without written consent from the Bank;
- 2.2.1.2. the Object construction estimate approved by the Bank;
 - 2.2.1.3. the Object construction design approved by the Building Board;
 - 2.2.1.4. a valid construction permit (certification card or letter of clarification) issued by the Building Board with a reference from the Building Board on the fulfilment of required conditions for designing and/or commencing construction works at the Object;
 - 2.2.1.5. a statement from the Construction Expert, or, if no Construction Expert is involved, from the construction supervisor, on the conformance of the Object Estimate to the Object design and to the construction permit issued for the Object and fulfilment of required conditions for designing and/or commencing construction works at the Object;
 - 2.2.1.6. copy of a general civil liability insurance policy;
 - 2.2.1.7. copies of policies insuring risks of Object construction works, issued by an insurance company approved by the Bank, with insurance terms approved by the Bank and duly formatted, including the indications that the Bank is the beneficiary of insurance indemnity and that the insured amount is equal to the total expenses on Object construction works as specified in the Object Estimate (including VAT);
 - 2.2.1.8. a Construction Guarantee regarding execution of construction works at the Object.
 - 2.2.1.9. if the Client prefers, and the provisions of this Agreement allow, the receipt of part of the Loan for advance payments:
 - 2.2.1.9.1. for the Client to settle in advance for construction materials, a copy of an agreement on the purchase of specific construction materials shall be submitted to the Bank,
 - 2.2.1.9.2. for the Client to settle in advance for works consistent with the Object Estimate but not actually performed at the Object, an advance payment Invoice for the construction works shall be submitted to the Bank along with a guarantee of advance payment refund guarantee issued by a credit institution, the written wording of which has been approved by the Bank, and in an amount no lower than the part of the Loan requested by the Client for payment under such advance invoice.
- 2.2.2. the Client has ensured that:
- 2.2.2.1. at the time of execution of each Disbursement Order, funds on the Current Account are sufficient for covering the Client's Co-payment for an Object construction Invoice in the amount specified in the Agreement,
 - 2.2.2.2. on the date of issue of the Loan (part thereof) to the Client in accordance with the provisions of the Agreement:
 - 2.2.2.2.1. the Invoices submitted to the Bank, on the basis of which the relevant part of the Loan is to be issued to the Client, have been paid;
 - 2.2.2.2.2. the Client's Current Account does not have an unauthorised negative balance, and no circumstances exist that might prevent the execution of the Disbursement Order.
- 2.3. The Bank shall be entitled not to commence, or to suspend, the issue of the Loan if the Client delays any payment under an agreement/arrangement between the Client and a company in the Bank's Group or from the day of submitting the application for receiving a Credit line to the Bank, the Client has assumed new credit obligations and / or guarantee obligations without coordinating them with the Bank, or any of the Event of Default has occurred, which gives the Bank a unilateral right to set a new Final Repayment Date.
- 2.4. The date on which the Bank transfers the Loan (or part thereof) to the account/accounts specified in the Special Provisions shall be deemed to be the date on which the Client receives the Loan (or part thereof)
- 2.5. The Bank shall be entitled to debit from the Current Account held with the Bank, or to withhold from the Loan, if allowed in accordance with the provisions of this Agreement, the funds necessary for the payment of the Loan Administration Fee, and other fees specified in the Agreement.

3. Procedure for executing payments under the Agreement.

- 3.1. The Client shall pay to the Bank Interest accrued over each Interest Period and shall repay to the Bank the outstanding Loan (or part thereof), transferring the funds to the Account, in the Loan Currency.
- 3.2. The funds provided in the Account are channelled to the Client's commitments , in the following order: (1) payment of amounts related to insurance of the Pledge (2) payment of amounts related to the ALTUM guarantee premium, if due in accordance with the Agreement; (3) payment of outstanding Interest; (4) payment of part of the Loan; (5) payment of contractual penalties (if assessed in accordance with the Agreement). If a lending transaction has been concluded between

the Client and the Bank (regardless of whether one is concluded prior to or following the effective date of the Agreement) linked to an ALTUM guarantee and linked InnovFin counter-guarantee issued and administrated by ALTUM, then, if any non-conformance between the declaration submitted by the Client to ALTUM and the InnovFin counter-guarantee criteria, or any breach of the Client's obligations specified in the lending agreement between the Client and the Bank is identified which entitles the Bank to determine a new, earlier Final Repayment Date, the Bank shall be entitled to allocate amounts paid by the Client for the fulfilment of obligations under any lending transactions primarily towards the discharge of the Client's obligations linked to an ALTUM guarantee involving an InnovFIN counter-guarantee, and to require premature complete fulfilment of obligations under lending transactions concluded between the Client and the Bank, provided that this does not contradict imperative regulations specified in the applicable legislation.

- 3.3. If, within the term specified in the Agreement, funds sufficient making payments under the Agreement in full are not provided into the Account, the Bank shall be entitled to debit outstanding amounts from any Current Account, converting such funds held on accounts opened in the Client's name and denominated in other currencies into the Loan Currency at the cashless monetary transaction exchange rate specified by the Bank as effective at the time of conversion.
- 3.4. The contractual payments shall be deemed to have been paid when the funds concerned are provided to the Account and have been written off by the Bank for the purposes of fulfilling Client's payment obligations. If the Bank states a different account for a certain payment, the payment shall be deemed executed once the Client remits the relevant amount to the account specified by the Bank.
- 3.5. The deadline for executing payments specified in the Agreement shall be 10 p.m (Latvian time) on the stated date of payment.
- 3.6. If, on the basis of the Client's request, amendments are made to the Agreement and/or documents ensuring fulfilment of the Client's obligations, or if the Bank drafts, reviews documents or performs other activities pertaining to the Agreement, including cases of refinancing, the Client undertakes to pay the Bank a fee in accordance with the Bank's price list (<http://www.citadele.lv/lv/tariffs/>) effective at the time of performing the aforementioned activities, and to pay or refund to the Bank any direct, substantiated expenses pertaining to the aforementioned activities. The Bank shall be entitled to, without an express order from the Client, debit from any Current Account the funds necessary for settling the aforementioned payments, converting such funds held on accounts opened in the Client's name and denominated in other currencies into the Loan Currency at the cashless monetary transaction exchange rate specified by the Bank as effective at the time of conversion.

4. Repayment Schedule.

- 4.1. The Bank shall, upon the Client's request, issue or send to the Client a Repayment Schedule – to the e-mail address specified by the Client or via Citadele Online Banking. The Repayment Schedule is an electronically prepared document valid without the Bank's signature. The Client shall make the payments specified in the Repayment Schedule in accordance with the timing and amounts specified therein. Information on the amount of an upcoming (current) payment shall be available to the Client via Citadele Online Banking. Failure to receive a Repayment Schedule shall not relieve the Client from the obligation of performing payments specified in the Agreement, in the amount and within the time specified.

5. Prepayment of the Loan (or part thereof).

- 5.1. The Client shall be entitled to prepay the Loan (or part thereof) within a different, shorter period of time than specified in the Agreement, by notifying the Bank in writing at least 5 (five) business days in advance). Simultaneously with repayment of the Loan (part thereof), any accrued Interest, contractual penalties, if any, and Loan Prepayment Fee, if specified in the Agreement. In the event of prepayment of the Loan, the Client shall also pay other Bank's fees for transaction processing. The Bank shall be entitled not to allocate funds held on the Account to prepay part of the Loan if the funds in the Account are not sufficient for the full payment of the amount specified in the Client's application for prepayment of part of the Loan and of other amounts specified in this clause of the Agreement.
- 5.2. If the circumstances specified in clause 9.1.2 of the General Provisions of the Agreement have occurred, the Bank shall be entitled to require the Client to, within a term specified by the Bank, but no less than 30 (thirty) days following sending of the relevant request by the Bank to the Client, provide additional Pledge or repay the Loan in such an amount as to make the ratio of the market value of the Pledge to outstanding amount of the Loan match the respective ratio on the effective

date of the Agreement or the amendments to the Agreement regarding increase of the amount of the Loan.

6. Obligations of the Client.

6.1. The Client's obligations during the effective term of the Agreement:

- 6.1.1.** to use the loan solely for the purpose(s) of using the Loan specified in the Agreement;
