

Notice on changes in working hours of brokers (30.08.2019)

From **September 2, 2019** working hours of bank Citadele's brokers will be on business days from **8:30 to 19:00**.

These changes will affect customers trading in financial instruments at trading venues which normal business hours exceeds the bank's working hours (e.g. in the USA and Canada), if the customer uses phone or online-banking for submission of orders.

After 19:00 (Latvian time) the only available mean of submission orders for the US and Canadian markets, and FOREX margin trading will be electronic trading platforms.

Taking into account aforementioned, the bank Citadele has supplemented [information on investment services](#) by updating the risk related to the use of the means of communication.
