### What has to be done in case of occurrence of an insured event?

- When an insured event has occurred, call BTA assistance service hotline: + (371) 27 77 44 92, e-mail: [assist@bta.lv](mailto:assist@bta.lv)
- When you are in Turkey, Egypt, Greece or Bulgaria, and receive medical services there, you must necessarily contact BTA assistance service, otherwise the payable amount of insurance indemnity may be reduced.
- In case of occurrence of an insured event you have to submit to BTA a claim application and documents confirming the occurrence of an insured risk, its circumstances and the amount of losses.

### Before and during the trip, advice:

- Before travelling to European countries, make sure you have a valid EHIC. In case you do not yet have an EHIC or it has expired, it may also be requested by electronic means, free of charge, receiving the card later by post.
- Consider the necessity of vaccination prior to going on trip.
- Keep in mind to write a note of BTA's assistance service hotline number.
- Study your rights in case your flight gets delayed, cancelled. For instance, in the case of a flight delayed for 2 hours and longer, when the flight distance is 1500 km or less, the carrier has to take care of your catering that is proportionate to the waiting time, in case of necessity, providing with hotel and hotel transfer.

In case you are unable to contact BTA by the hotline, try using other means of communication:
